International Medis Awards for Medical Research 2017

An international contest for medical doctors
and pharmacists involved in scientific research

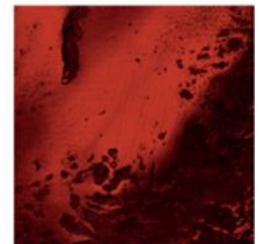

www.medis-awards.com

About the Medis Awards

- The International Medis Awards for Medical Research is **an annual international contest for medical doctors and pharmacists** who have presented or published clinical research in a specific medical field in a highly ranked congress or scientific publication.

Who Can Apply?

9 Research fields:

- ANESTHESIOLOGY
- GASTROENTEROLOGY
- GYNECOLOGY
- NEUROLOGY
- OPHTHALMOLOGY
- PEDIATRICS
- PHARMACY
- PULMONOLOGY
(with Allergology)
- RHEUMATOLOGY

Medical doctors and pharmacists from:

- Austria
 - Bosnia and Herzegovina
 - Croatia
 - Hungary
 - Macedonia
 - Montenegro
 - Serbia
 - Slovenia
- 

Application Criteria

Authors may submit the following types of research work from one of the specified medical fields:

- **Posters or oral presentations** accepted and presented at a European or World scientific congress.
- **Articles** published in scientific publications with an impact factor (IF) greater than 1.5.

The research work must be accepted, presented or published between **1 September 2016 and 31 August 2017**.

- Entry deadline: **15 September 2017**
- Applications at: www.medis-awards.com

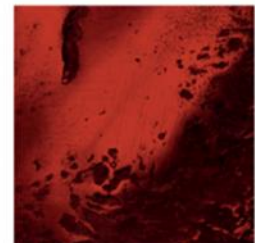

Evaluation Process and Awards

The international panel of **ten established and recognized medical specialists** (from 8 countries) **independently** reviews submitted abstracts and research work.

One winner will be selected **from each field of research.**

Winners will receive:

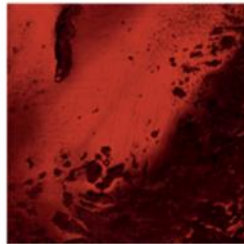

- Bodočnost (The Future) - a **bronze sculpture** by Jakov Brdar
- A **research grant** of € 2,500 gross
